

Dear Town Resident:

This letter is to inform you that the Dickinson Town Board voted to dissolve the Garbage District effective Dec. 31, 2016. To avoid interruption in your garbage service, we recommend that you contact a garbage service provider in the next couple of months to make arrangements for your garbage pickup starting in January of 2017.

Please note that for the 2017 tax bill, you will see a small garbage district charge of approximately \$15.00 to close out the District account.

When calling garbage service providers for information, be sure to ask about discounts such as senior citizen discounts, vacation credits, or discounts for paying a full year in advance.

You can contract with anyone you wish or you can take your garbage to the landfill.

The following is contact information for two of the major of local garbage service providers.

Bert Adams Disposal
607-648-4863

Taylor Garbage Service
607-797-5277

If you have any questions, feel free to contact the Dickinson Town Hall at 607-723-9401.

Sincerely,

Michael Marinaccio
Supervisor, Town of Dickinson
